Mini Symposium 'Imaging in Biomedical Research'

organised by the SCS Division for Medicinal Chemistry

May 18, 2006
University of Basel
Institute of Organic Chemistry
St. Johannis-Ring 19
CH-4056 Basel

Chairman: Prof. Dr. Gerd Folkers
Contact: Dr. Hans Peter Märki (hans_p.maerki@roche.com)
For information on the programme please visit the web site www.swiss-chemistry.ch/dmc

1st European Chemistry Congress

organised by the European Association for Chemical and Molecular Sciences (EuCheMS)

August 27–31, 2006, in Budapest, Hungary

Chairman: Prof. Dr. Jean-Marie Lehn
Co-chairman: Prof. Dr. Peter Kündig
International Coordinating Committee: Dr. Reto Battaglia (reto.battaglia@sqts.ch)

Six Nobel Laureates have agreed to give plenary lectures at the meeting. For more information please see www.euchems-budapest2006.hu

7th Swiss Course on Medicinal Chemistry

October 1–6, 2006, in Leysin

organised by the SCS Division for Medicinal Chemistry:
Prof. Dr. Beat Ernst (beat.ernst@unibas.ch)
Prof. Dr. Gerd Folkers (folkers@pharma.ethz.ch)
For more information please see www.swiss-chemistry.ch/dmc

SCS Fall Meeting – SCNAT Annual Congress 2006

The Fall Meeting of the Swiss Chemical Society will be organised together with the Annual Congress of the Swiss Academy of Sciences (SCNAT)

October 12–13, 2006
University of Zürich
Campus Irchel
Winterthurerstrasse 190
CH-8057 Zürich

Chairman SCNAT Annual Congress: Prof. Dr. Peter Seeberger
Chairman SCS Fall Meeting: Prof. Dr. Heinz Berke
Contact: Dr. Ferdinand Wild (fewi@aci.unizh.ch)

Registration for the SCS Fall Meeting, along with abstract submission, is only required for those presenting a scientific contribution. Publication of the scientific contribution (abstract) in CHIMIA is free if the main author whose name is underlined in the abstract is a member of the Swiss Chemical Society. Non-members will be asked to pay CHF 200.– to cover the cost of printing the abstract.
